## IRONMAN TIRE MEDIUM TRUCK LIMITED PROTECTION POLICY

- You are eligible for the benefits of this Limited Protection Policy if:
- You are the owner of new Ironman brand Medium Truck tires.
- Your tires bear Department of Transportation-prescribed tire identification numbers and are not "NA" (not adjustable) or "blem" (cosmetically blemished).
- Your Ironman Medium Truck Tires have been used only on the vehicle on which they were originally installed according to the vehicle manufacturer's or tire manufacturer's recommendations.

### WHAT IS COVERED, AND FOR HOW LONG?

**Free Tire Replacement** – Ironman brand all-steel medium truck tires covered by this Limited Protection Policy that become unserviceable due to a defect in workmanship or material during the first 2/32nds of an inch of usable treadwear or three (3) months from date of purchase for I-Series, 1st 50% for I-Series Gen 2, whichever comes first, will be replaced with a comparable new Ironman tire without charge. You pay only for the mounting, balancing and full F.E.T. or T.S.F. (without proof of purchase, date of manufacture will be used to determine age).

**Prorated Tire Replacement** – Tires worn beyond the first 2/32nds of usable tread or more than three (3) months from date of purchase for I-Series, beyond 1st 50% for I-Series Gen 2, whichever comes first, that become unserviceable due to a defect in workmanship or material will be replaced on a prorated basis. You are responsible for mounting and balancing charges and full F.E.T or T.S.F.

### HOW WILL PRORATED CHARGES BE CALCULATED?

The replacement price will be calculated using the current selling price of the same brand tire purchased and multiplying by the percentage of original usable tread (that is remaining at the time of replacement).

### WHAT IS A COMPARABLE TIRE?

A "comparable" new tire of the same brand may either be the same line of tire or, in the event that the tire is not available, a tire of the same basic construction and quality with a different sidewall or tread design. If a higher-priced tire is accepted as replacement, the difference in price will be at an additional charge to you. Any replacement tire provided pursuant to this Limited Protection Policy will be covered by the new Limited Protection Policy in effect at the time of replacement.

### WHAT IS NOT COVERED BY THIS LIMITED PROTECTION POLICY?

- Tires branded or marked "NA" (not adjustable) or "blem" (cosmetically blemished), or that have been previously adjusted.
- Irregular wear or tire damage due to:
  - Road Hazards including punctures, cuts, snags, impact breaks, etc.
  - Wreck, collision, fire, or vandalism.
  - Improper inflation, overloading, misapplication, misuse, negligence, high speed tire spinning, chain damage, improper mounting or demounting.
  - Mechanical condition of the vehicle, including misalignment, wheel imbalance, or faulty shocks or brakes.
- Ride disturbance after the first 2/32nds of treadwear or due to damaged wheels or any vehicle condition.
- Ozone or weather cracking on tires over five (5) years from date of manufacture.
- Alteration of the tire or addition of alien material or transfer from one vehicle to another.
